Sir:

Applicant respectfully disagrees with the Examiner's Statement of Reasons for Allowance and/or Applicant believes that the Examiner's Statement of Reasons for Allowance is incomplete.

Applicant respectfully submits that the cited art does not teach or suggest the combinations of features set forth in the Applicant's claims. By way of nonlimiting example, Applicant submits the references at least do not appear to teach or suggest a computer system extracting, from a database table, a base liability associated with at least one pair of impact points for past or theoretical accidents associated with a roadway configuration/accident type combination specified for a real vehicle accident.
